

Milyn Brazier will be at Walvis Bay to treat horses from 29th of August to the 1st of September.

Milyn was invited to the World Equestrian Games in 2006 where she accompanied the South African Endurance team as team physiotherapist treating riders and horses. All the horses Milyn treated in Germany and France qualified and a final position of 9th out of 42 countries was obtained.

Milyn was fortunate enough to accompany and treat the riders and horses of the Endurance Springbuck Team in her capacity as a physiotherapist also at the FEI World Endurance Championship in Malaysia in 2008.

Milyn has taken a number of postgraduate courses such as:

Dry needling techniques

Body alignment techniques

Amazing nervous system-Duffy Sweatman

Going Global-Tanya Bell

The Lower Quadrant_Andre van der Merwe

Various Psychology Modules- South African College of Applied Psychology

Advanced Canine Physiotherapy – Laurie Edge-Hughs.

Milyn completed the Theory for the course Equine Rehabilitation Institute of Florida, USA therapist in February 2009

For an appointment, please call Milyn directly or send an email to her or her PA Steffi.
