- Complete ALL fields

Do not forget to enter the correct category and distance!

Choose a rider that you have entered before. If you wish to enter a rider not on your list, just enter his or her name and click “refresh”. Do the same for the horse.

Please enter the date of arrival and in most cases you would choose the “outside” option when it comes to “paddock”.

Remember to enter any illnesses!

Entry Form

- Click on “I hereby declare”

I hereby declare

that I know and understand the constitution, rules and guidelines of NERA and this specific ride and will adhere to them. By signing this entry form I undertake that for myself, my heirs, my administrators or any other person that has legal rights after my death, forfeit all legal claims that might occur from any accidents, any harm or damage and claims as a direct or indirect result of any person or animal's actions and that NERA, any club, all individual members, and any other person will be excluded from any claim or legal action arising as a result of my participation. I accept that every rider or visitor that rides a horse, either his own or another persons, do so on their own risk. I undertake to take the responsibility for all costs arising out of veterinarian assistance to my horse and/or any medical aid to myself and I will pay any such costs. To obtain approval for emergency medical evacuation, contact: 12345678 If no emergency evacuation information is provided I hereby authorize the emergency medical team or the event controlling staff to act on my behalf and accept full responsibility for any and all costs so incurred.

- Select “create a new Calculation sheet for this ride”

Your request was successful, a confirmation will be send via email [close window](#)

There are Online Calculation Sheets available for this ride
[create a new Calculation sheet for this ride](#)

- The calculation sheet will now appear. Your entry (rider and horse) which you just made should already appear at the top of the calculation sheet. If you made two or more entries, click on “add a rider” in order to combine all your riders/horses on ONE calculation sheet.
