## DETAILS OF COURSE AND LOOPS

The Namib Desert, surrounding Walvis Bay, is one of the oldest deserts in the world, and the Walvis Bay ride takes the endurance rider over some of the highest dunes in the world. This ride is not only one of the most popular in Africa, but also an endurance ride in the true sense of the word. Rider and horse have to endure all aspects of the vastness and solitude of the Namib Desert.

The Walvis Bay Lagoon is the largest single area of shallow water on the west coast of Africa. Its natural beauty is highlighted by the presence of thousands of birds throughout the year, most notably flamingos. The lagoon, a Ramsar site is home to hundreds of bird species.

With the cold Benguela current running along this coast the temperatures can vary from very cold to very hot, with occasional desert winds.

There will be distance indicators every 10 km and there will be water points at least every 10 km on the course. Grooming will be allowed at designated water points on the course on the condition that horses will have right of way on the course and groom teams at the water points may not use any of the water from the provided water point. This is very important because should groom teams make use of the water provided at the water point, it could result in a situation where there will not be sufficient water for the other horses. We further request the groom teams to keep a radius of at least 10 metres around the water point clear for riders and horses. Grooming is only allowed at certain points on the course and will be explained at the rout briefing.

<b>LOW TIDE 02:26</b>	<b>HIGH TIDE 08:59</b>
<b>SUN RISE 06:14</b>	<b>SUN SET 17:51</b>

**FOR FULL DETAILS REGARDING THE COURSE PLEASE STUDY THE MAPS AND FACT SHEETS ON THE WEBSITE. (It will be available on the website from July 2017)**

## FUNCTIONS

- Please note that you cannot attend the functions without a booking made on the calculation sheet, due to limited space.
- You will receive your function tickets during registration on Monday morning.
- The Welcoming Function will be Monday evening 28 August at 17:30 for 18:00 at the Town Hall Walvis Bay. Cost for this function is N\$ 200-00 per person. **Team Managers must also complete a calculation sheet to book their function tickets.** Dress is “smart casual” with the National Teams in formal dress. Team Managers will introduce their teams.
