

## **REITERVEREIN SWAKOPMUND**

---

Dear Namibian Riding Community,

The RVS will be hosting its **55<sup>th</sup>** annual January Dressage, Show Jumping & Equitation tournament from the **03 – 08 January 2012**. For this special anniversary, the committee and members have decided that we will also host a Reiterball, under the Motto: *“Sylvester Reiterball – 55 Jahre RVS Reitturnier”*.

The Reiterball used to be a well known event amongst the riders & public in the 70's. Those days, I believe it took place over two days – one evening just for the riders who had to dress in full riding gear and the next evening it was open to the public, dress code being formal. I was told that this Reiterball used to take place at Hotel Gruener Kranz and tickets were usually sold out within days. Ja, Schoen war die Zeit!

Having heard all of this, we decided that our Sylvester Reiterball will take place on Saturday, the **31.12.2011** at Haus der Jugend in Swakopmund. A few traditions will remain thus the dress code will be formal. However, to add some “spice” to the evening, a hat of your choice will also be required. A 5 Star 3 course buffet will be included in the ticket price. A cash bar as well as a coffee & cocktail bar and some traditional special drinks will be offered. We will have a short program of entertainment from some well-known entertainers to start the party off. Thereafter, a perfect selected band for such events will keep us entertained. After all, we want you to dance and enjoy the evening in full swing. Together, we want to celebrate the 55<sup>th</sup> RVS January tournament anniversary as well as the New Year.

Tickets will go on sell within the next two to three weeks. Price, seats and booking office etc will be announced prior to date, tickets go on sale.

We are looking forward seeing you there!
