

Happy Mouth Equine Dentistry

Christine Vermeulen --- EqDT

Graduate of the New Zealand School of Equine Dentistry

SERVICES:

- Examination of your horse's mouth and a Quotation
- Incisor (Bite) Re-alignment
- Complete Dental Correction (Full Mouth)
- The cost on the above services depend on each individual horse and his/her problems

Does your horse do one or more of the following?

- Chewing slowly or Dropping lots of feed?
- Loss of Condition?
- Pulling or having difficulty bending on one rein more than on the other rein?
- Bad smell from his/her mouth or nose?
- Head shaking; tossing or shyness?
- Evasion of or Resisting or above the bit?

When last did your horse had a Dental Check-up?
If your horses teeth are regularly done you can save
Money on feeding cost.
